

CHARACTERIZATION FACILITY SAMPLE TEST SERVICE AGREEMENT:

The following guidelines have been established for use of the Sample Test Service Agreement:

- * Used for a one-time, single transaction
- * Transactions should be simple (ie, instrument testing and sample analysis)
- * Value of the services being provided is \$5,000 or less
- * No additional terms or conditions (no modifications of the agreement are allowed)
- * Not intended for non-employee self- use of laboratory equipment
- * Not for services that require a confidentiality commitment
- * Not for use with international customers
